List the Sphere activities your organisation is intended to conduct in the next 12 months?

Current/Planned Activities <i>(Please be as specific as possible)</i>	Tentative timeline <i>(if applicable)</i>
Engagement with local authorities & Advocacy work + Since its establishment in 1976, YFCA has managed to emerge as a major support institution for civil society organizations working for social change with international and national actors to tackle societal issues at the grassroots level. This has enabled YFCA to play a substantial role in advocating for vulnerable groups' concerns to the government, policy makers and program implementers in addition to encouraging active participation of civil societies and stakeholders at the community level to build and strengthen their capacities. + Continue to work with local governments calling for the inclusion of Sphere standards in humanitarian response policies.	Ongoing
Sphere trainings and events + Continue to provide Sphere trainings for YFCA staff. + Participate in the dissemination of the Sphere Handbook.	During 2021
Coordination with the Sphere community at country/regional level + Share knowledge about humanitarian quality and accountability.	During 2021

How are you going to evaluate the success of the above-mentioned activities?

(Suggest success indicators for each above activity)

- + Sphere certificates from YFCA's staff
